

Seeking New Survey Department Manager - NH LLS

The Dubay Group, Inc.

Engineers | Planners | Surveyors

The ideal candidate will actively lead and grow our current Survey Department in Registry Research, Boundary Determinations, Subdivisions, ALTA, Easements, Topographics, FEMA Surveys, Construction Layout, As-Built surveys, and everything related in supporting our “field-to-finish” land development work. Must have current NH LLS license, excellent survey skills, including embracing both the “old-school” art of survey knowledge, as well as the latest in applied technologies. Communication, project scheduling, and working in a multi-discipline team environment are all aspects that the successful candidate will embrace.

The Dubay Group, Inc. is a leading land development consultant firm of Civil Engineers, Land Surveyors, Landscape Architects, & Land Planners. We have been the recipient of many awards over the years, including 2025 Business of The Year! We work on a wide variety of projects including Commercial, Industrial, Retail, & Institutional Site Design/Layout, Multi-family Condominium & Apartment Developments, Work Force Housing, Utilities, Parks, Master Planning & Zoning Work. A true “field-to-finish” team of professionals that excel in our respective fields, with a reputation for the highest quality of work, delivering standout projects benefitting our clientele and the communities we serve.

Our survey department is well-equipped at all levels, with 4wd trucks wrapped with professional graphics, licensed drone operators using the latest technologies including Matrice 350 RTK, Zenmuse P1 camera, Zenmuse L2 LiDAR, Leica and Trimble robotic total stations and wireless data tablet computer collectors, as well as Carlson platforms, high precision Trimble GPS and the latest CADD technologies.

We offer competitive wages, great benefits including 401K, health insurance, dental insurance, life, & long/short term disability insurance. Full time employees benefit from generous PTO, Full Holidays, paid lunch every Friday, additional bonus paid time off, outings/functions, and events. Our firm supports employees’ volunteer and fundraising initiatives, as well as continuing education and support of professional association involvement.
